

I Will  
By the Beatles (as sung by Billie Eilish)

C            Am    F            G  
Who knows how long I've loved you  
C        Am        G (twice)  
You know I love you still  
F        G        C (twice)  
Will I wait a lonely lifetime  
F        G        C (twice)  
If you want me to, I will
